LOYAL KENTUCKY METHODISTS.

Resolved, That we have seen with great satisfaction the stand taken by members of the Kentucky Conference of the M. E. Church, South, prompted by their love for the Union of the United States, and their desire to promote the union of the M. E. Church, and we hereby extend to them our christian sympathies, and assure them of our fraternal love and prayerful interest in their welfare.

REV. J. M. TRIMBLE, D. D.

Resolved, That we have been highly gratified with the visit to our Conference of Dr. Trimble, the able and efficient Assistant Secretary of the Missionary Society of the M. E. B. MARK.
W. DENNETT.

CIRCUSES.

Resolved, 1. That we believe the resolution passed by this Conference some years since, declaring that we would deal with those who attend circuses as with those committing any other immorality, unless they promised wholly to abandon them, as still binding.

Resolved, 2. That the members of this Conference are instructed to see that these resolutions are carried into execution.

Resolved, 3. That the Presiding Elders be requested to report any preachers who countenance circuses, either by attending themselves, or encouraging others to do so.

W. DENNETT.
J. G. THOMPSON.

SUBSCRIPTIONS FOR THE MINUTES.

Resolved, That the Secretary be instructed to furnish the preachers with blank subscription papers for the minutes of 1866, with the amount necessary to be raised in each charge to secure the publication of the same; and it shall be the duty of each preacher to make a subscription in his charge equal to the amount required therefrom.

THANKS.

Resolutions of thanks, to the citizens of Mount Pleasant, and to the several railroad and steamboat companies which had reduced the fare to the preachers and visitors of the Conference, were adopted.

SPECIAL ORDERS.

The following is the order of the Conference respecting the subjects named:

TIME OF EXAMINATIONS.

Resolved, 1. That the undergraduates of the Iowa Conference be required to meet on Tuesday morning previous to the opening of our next session, at 9 o'clock.

Resolved, 2. That the Examining Committees be required to meet at the time above fixed.

Resolved, 3. That any brother failing to meet the committee at the time appointed to examine him on the studies assigned, shall be laid over for one year, unless he can present a sufficient excuse.

STATISTICAL REPORTS.

Resolved, 1. That the order of the day for the first day's session of the Conference, at 2 P. M., shall be the reception of the general statistics, missionary, financial and Sunday school reports, and the missionary, conference and other collections.

Resolved, 2. That for this purpose the list of appointments shall be called, and it shall be the duty of each pastor to have all his returns ready to hand over when the name of his charge shall be called.

Resolved, 3. That when the pastor is necessarily absent, the statistics shall be reported through the Presiding Elder.

The latter plan greatly facilitated the work of the Secretaries and Committees this year. It is hoped it will be fully carried out next Conference. If you cannot be there on the first day, send on your reports and collections, and have them reported at the proper time. There is no excuse for neglect in these matters.—[SECRETARY.]

VI. REPORTS.

I. Report on Sabbath School Cause.

The Committee recognized the vast importance of the cause in the spread of Christ's Kingdom. They recommended the following resolutions :

Resolved, 1. That we will spare no pains in establishing Sunday Schools in all destitute localities.

Resolved, 2. That we will, as Ministers of the Gospel, by our personal presence and earnest influence, labor for the interests of the Sunday Schools in our several charges.

Resolved, 3. That we will present the cause of the Sunday School Union of the M. E. Church to our respective congregations, and endeavor to increase our collections therefor.

J. G. THOMPSON, *Chairman*.

II. Report on the Bible Cause.

The Committee recommended the following resolutions:

Resolved, 1. That we cherish unabated confidence in the American Bible Society.

Resolved, 2. That we have been highly pleased with the Society's efforts to supply the army and navy with the Scriptures during the late war; and we are especially gratified with the effort to supply the freedmen and the destitute white population of the South.

Resolved, 3. That the work of the Society, in this and foreign lands, is one of vast proportions and first importance, and should hold a high place in the benevolent regards of the people.

Resolved, 4. That we will continue to co-operate heartily with the auxiliaries and agents of the American Bible Society, in their efforts to carry out the plan of operations laid down in the manuals of the parent Society; and that, if the agents fail to visit our charges, we will ourselves bring the Bible cause before our congregations, and take the contributions for it, annually, according to the provisions of the Discipline.

Resolved, 5. That we request the agents and their assistants to receipt to us for the amounts contributed by our congregations to the Bible cause, that we may report the same to our Conference.

J. W. LATHAM.
F. W. EVANS.
I. A. BRADRICK.

III. Report on Ministerial Support.

Your Committee, to whom was referred the subject of ministerial support, would offer the following facts to be laid before all our quarterly conferences by the Presiding Elders, at their first round of quarterly meetings, and urge them upon their consideration in fixing the allowance of the Ministers in their respective charges.

1. The expense of living, including all the necessities of life, as well as the luxuries, is at least double what it has been in former years.
2. That the salaries of the preachers have not been on an average more than enough for a comfortable support at former prices of living.
3. That unless the salaries of the preachers are raised to correspond with the increased prices of living, the following calamities will befall the Pastors and Churches: Those that have means of living outside of their salaries will be compelled to spend it in support of their families while serving the churches, and at the same time those churches increasing in wealth faster than ever before in all their history; and those preachers who have no means of support aside from their salaries will be compelled, with their families, to suffer for the necessities of life, or go in debt for the same, with the probability of being embarrassed and hindered in usefulness in all their future ministry; or to avoid these evils they will be compelled to engage in secular business and neglect in whole or in part the regular work of the ministry; and should either of the above mentioned evils become general in the churches the calamity would be incalculable. And we do not believe that the churches would be willing to take the responsibility of bringing these calamities upon the pastors and churches, if properly instructed in their duties to render a just and comfortable support to them who labor for their salvation. We, therefore, urge upon all our churches a careful and conscientious consideration of their duty on the question of the support of their pastors.

C. MOREY, *Chairman.*

IV. Report on Periodicals.

The Committee heartily endorse the opposition of our editors to Secession and Slavery, and rejoice in their advocacy of free-men, free-soil and free-salvation. They submit the following resolutions:

Resolved, 1. That we will continue the *Central Christian Advocate* as our Conference organ and will labor to promote its circulation.

Resolved, 2. That we fully endorse the course of its editor, and pledge him our support.

Resolved, 3. That the *Quarterly Review* ought to have a more extended circulation in our bounds, and we pledge ourselves to make an effort to get at least two subscribers for it in each of our charges for the year 1866.

J. T. COLEMAN, *Chairman*

V. Report on the Centenary Cause.

In accordance with the recommendations of the General Conference, in respect to holding a Centenary Celebration of American Methodism, the Iowa Conference agrees to the following

PLAN OF ARRANGEMENTS.

1. The Centenary of Methodism in America shall be celebrated by all the Churches and people of the Iowa Conference with devout thanksgivings, by special religious services and liberal thank-offerings.

2. The Iowa Conference, for the purposes contemplated, hereby resolves itself into a Centenary Society of the Iowa Conference.

3. The officers of the Society shall consist of a President, Recording Secretary and Treasurer, to be appointed by the Conference, and a Corresponding Secretary, who shall be appointed by the President of the Conference.

4. It shall be the duty of the Corresponding Secretary to travel at large throughout

the Conference, to further, in every possible way, the objects proposed in the Centenary movement, and to report monthly to the Central Centenary Committee; and his salary shall be fixed by the said committee, and paid by the Treasurer of the Society. The Treasurer shall receive, hold and account for all the funds of the Society, subject to the direction of the Central Centenary Committee and the Iowa Conference.

5. There shall be a Central Centenary Committee, to consist of the President, Recording Secretary and treasurer of the Society, together with nine persons to be appointed by the Conference; and the entire committee shall be so constituted as that one half of them shall be lay-members of the M. E. Church. The said committee shall appropriate the local funds raised for centenary purposes in this Conference, at the direction of the Conference, give advice and direction for the appropriate celebration of the Centennial in our principal churches, and have the general superintendence of the centenary operations within this Conference.

6. It shall be the duty of the Central Centenary Committee, in connection with the Presiding Elders of the several Districts of the Conference to arrange for holding, as soon as may be after the close of the Conference session, a district centenary meeting in each Presiding Elder's district, for the purpose of spreading information respecting the centenary movement among the preachers and people, and of perfecting the necessary arrangements for the accomplishment of the work proposed.

7. It shall be the duty of each Pastor in this Conference to preach, as soon as may be, a centenary sermon in his charge, giving a sketch of the history of the M. E. Church, and such facts respecting the centenary cause as may be necessary for the information of his people.

He shall also organize within his charge an auxiliary centenary society, (or, if need be, two or more societies) of which he may be President. These societies shall also have a secretary, treasurer and three managers, who shall aid the Pastor in carrying out the plans which may be adopted to further the cause in his charge.

And it shall be the duty of the Secretary of the local society to keep in a book, to be secured for the purpose, an accurate list of all the subscribers to the centenary fund within the pastoral charge or society in which the auxiliary is organized, together with the amount subscribed by each person, and, where stated, the objects to which the donations are to be applied; and a faithful transcript of the said subscriptions shall be brought up by the Pastor to the next Annual Conference. The Secretary's book shall be carefully preserved with the records of the charge. It is also recommended, wherever practicable, to organize the Sabbath Schools into centenary societies.

8. The Pastors and other preachers, itinerant and local, and the Presiding Elders of this Conference, are hereby required to co-operate with the Corresponding Secretary, and in every proper way to further the objects contemplated; and the Presiding Elders, in addition to the usual questions asked in the quarterly conferences, shall enquire quarterly, "*What has been done this quarter for the Centenary cause in this charge?*"

And in the passage of character of each preacher of this Conference, at the next Annual Conference, the Chair shall enquire of each preacher the amount raised in his charge for the centenary cause, and the reports then given shall be noted by the Secretary of the Conference upon the Conference journal.

9. This organization shall remain in existence until the objects contemplated are accomplished, or the Iowa Conference change or discontinue the same.

10. The Bishop is requested to appoint a member of this body to preach a centenary sermon at the next Conference.

11. The Centennial shall be appropriately observed by a public meeting to be held, under the direction of the Centenary Committee, at the next Conference.

12. The Central Centenary Committee are hereby instructed to appropriate 75 per cent. of the centenary collection to the endowment of the Iowa Wesleyan University, 10 per cent. to the Garrett Biblical Institute, 5 per cent. to the Irish Fund, 5 per cent. to the chartered Fund, and 5 per cent. to the Mission Home, in New York.

VI. Report on Church Extension.

Resolved, 1. That we approve of the organization of the Church Extension Society of the M. E. Church, and regard it as an agency specially called for by the times.

Resolved, 2. That, in view of the many appeals for help from the South and Southwest, now pressing upon the parent society, we will take the collection for church extension ordered in the Discipline in the month of January, and forward the same to C. Hieskeil, Treasurer, 1122 Arch street, Philadelphia, Pa.

M. H. HARE, *Chairman*.

D. MURPHY, *Secretary*.

The Committee also submitted the following:

CONSTITUTION FOR THE IOWA CONFERENCE CHURCH EXTENSION SOCIETY.

ARTICLE 1. The title of this society shall be the Church Extension Society of the Iowa Annual Conference, auxiliary to the Church Extension Society of the M. E. Church, United States of America.

ART. 2. The object of this society shall be to assist the parent society in "enabling the several Annual Conferences to extend and establish their Christian influence throughout the United States and Territories, by aiding, wherever necessary, to secure suitable houses of public worship, and such other church property as may promote the general design."

ART. 3. The payment of the sum of one dollar per annum, shall constitute a member of this society; the payment of five dollars or more, at one time, a member for life; and the payment of fifty dollars or more, an honorary member for life.

ART. 4. The officers of this society shall consist of President, Vice-President, Corresponding Secretary, Recording Secretary and Treasurer.

ART. 5. The business of the society shall be conducted by a Board of Managers, consisting of the aforesaid officers, with one lay and one clerical member from each Presiding Elder's district within this Conference.

ART. 6. This society, or the donors to it, "may designate the society, or societies, to which they desire any part, or the whole, of the donation by them made to be appropriated, which special designation shall be publicly acknowledged by the parent Board; but in the event that more funds shall be raised for any particular society or object than is necessary, or than has been appropriated by the general committee of the parent Board, the surplus shall be at the disposal of the parent society, for its general purpose."

ART. 7. The Treasurer shall remit funds received by him as early as possible to the treasurer of the parent society.

ART. 8. The annual meeting of the society shall be held at the session of the annual conference, at which time the Corresponding Secretary shall submit his annual report, the Treasurer exhibit a certified statement of his accounts, and an election of officers and managers for the ensuing year be held. There shall also be an anniversary meeting of the society at the same time and place.

ART. 9. This constitution may be altered or amended in a way not inconsistent with the character of the parent society, at any annual meeting, by a vote of a majority of the members present.

VII. Report on the State of the Church.

The Church is "the light of the world," and "the salt of the earth;" the conservator of all morals and religion. There are several aspects in which her state may be viewed. Her spirit of sacrifice may be inferred from her benevolent contributions; although, in this department, there is room for improvement. Her state may be inferred, also, from the observance and consecration of the holy Sabbath. We fear it is frequently desecrated

under the plea of going to church to a distance. The class-meetings are too much neglected. This precious means of grace is, we fear, being partially set aside. Revivals are not so common as is desirable, yet, with gratitude to Almighty God, we would acknowledge that many of our fields of labor have been watered from on high. The close of the fearful civil war which has raged, finds the Church in peace. We earnestly recommend to our people and preachers to unite at the Throne of Grace for a universal outpouring of the Spirit of God. We submit the following resolution:

Resolved, That we will use the time-honored appliances of Methodism for the promotion of greater spirituality both in the ministry and the laity.

JOSEPH GASSNER.

VIII. Report on the State of the Country.

Resolved, 1. That we acknowledge, with profound gratitude and thankfulness to Almighty God, the deliverance of our country from armed rebellion and civil war.

Resolved, 2. As slavery was the cause of the rebellion, we rejoice that its power is broken, and that it is destined to utter destruction.

Resolved, 3. That in the re-construction of the rebellious States, and the admission of their senators and representatives to seats in the national congress, there are perils to the nation second only to those growing out of the war.

Resolved, 4. That justice, gratitude, religion, national safety and political economy demand that the elective franchise be extended (with proper safeguards) to the colored people of the States lately in rebellion, as a condition to their full representation in the national congress.

W. F. COWLES.

A. ROBINSON.

IX. Report on Lay-Representation.

The Committee present the following resolutions:

Resolved, 1. That we, as ministers, desire not only to be united in spirit, but in labors also, with the lay members of our Zion, in all that will advance the spiritual and financial interests of the Church.

Resolved, 2. That we are favorable to, and shall endeavor to secure lay-representation in all our conferences, annual and general, when the laity have on their part expressed, by a sufficient majority, their desire for such representation.

Resolved, 3. That we will use all lawful and proper means to secure to the Church a fair opportunity, under the most favorable circumstances, of expressing its wishes in this matter.

Resolved, 4. That we hail the dawning of the day when, with the right disposition upon the part of the ministers and members of the several religious bodies, (now diverse in church polity, but harmonious in doctrine,) may be brought together; and thus, by a concentration of their now divided efforts, secure greater and more speedy results in advancing the great interests of Christianity throughout the world.

Resolved, 5. That, whenever ordered by the general conference, we will present the matter to the male members of our charges, for an expression of their desire; and that we will vote on the question in conference assembled.

JOHN HARRIS.

DENNIS MURPHY.

X. Seaman's Friend Society.

Resolved, 1. That we recognize in the Seaman's Friend Society a great missionary organization, following in its mode of operations the example of Him who "taught by the sea side and in ships."

Resolved, 2. That the society shall share in our warmest sympathies and earnest prayers, and we commend it to the patronage and aid of the Christian world.

Resolved, 3. That, in our judgment, the society has made a wise choice in appointing Rev. Austin Coleman agent in this State.

Resolved, 4. That we recognize in Rev. John Nate, the secretary for the west, a faithful and efficient advocate of the seaman's cause.

W. C. SHIPPEN.
S. HESTWOOD.

XI. Report on Missions.

The Committee on Missions reported in favor of the following appropriations:

Exchange Street, Keokuk.....	\$200,00
Pleasant Valley.....	200,00
Pella.....	100,00
Total.....	\$500,00

XII. Report on the Freedmen's Aid Commission.

WHEREAS, God has strangely set free four millions of human beings, long bound in the chains of an iniquitous servitude, who, by every dictate of our religion, are claimants upon our sympathies and means, and therefore,

Resolved, That we will cordially welcome to our fields of labor the agents of the Freedmen's Aid Commission, and will assist them in securing means for the moral and temporal well-being of the freedmen.

ABNER ORR, *Secretary*.

XIII. Report on Temperance.

We are as much as ever convinced of the great evil of intemperance, and especially of the increasing use of the vile nostrums, such as beer, bitters, etc., which leads directly thereto. We hail with delight the federal tax on "liquid fire" which has already restrained intemperance in some degree, and recommend that it be doubled; pledging ourselves as true friends of the government to pay the increased tax cheerfully for the amount we may possibly need of this terrible *virus* of the "old serpent" to expel the less deadly poison of any other snake. *Similia similibus curantur*.

JOHN HARRIS.
JOHN HAYNES.
J. H. WHITE.

XIV. Report on the Tract Cause.

It is obvious to all that this is a reading age. Trashy literature is eagerly sought for and devoured by the multitude, and the effects are ruinous. Infidelity has never made more vigorous efforts to sow the seeds of sin and death: hence the necessity of the employment of the religious press, the printed page, the diligent hand and willing heart of those "who follow the Lamb whithersoever he goeth." Therefore,

Resolved, 1. That we recommend and urge upon our preachers in charge that they see that the committee on the Tract cause, provided for in the Discipline, be carried out in the proper spirit and order.

Resolved, 2. That we will make renewed efforts to circulate the *Good News*.

Resolved, 3. That we will take up collections for the Tract cause, at all our preaching places, during the coming year.

C. MOREY, *Chairman*.

XV. MEMOIRS.

I. Itinerant Ministers.

REV. AMOS BESSEY was born in Trumbull county, Ohio, November 20th, 1806. He was converted, and joined the M. E. Church, under the labors of Rev. B. O. Plimpton. In 1833 he was licensed to preach, and admitted on trial in the Erie Conference four years after, and immediately transferred to the Indiana Conference. His appointments were as follows: 1837-8, Greensburg circuit; 1839-40, Paris; 1841, Rising Sun; 1842-3, Madison; 1844-5, Vevay; 1846, Columbus; 1847-8, Paris again; 1849, Lexington; 1850, Brownsville; 1851, Charleston. In 1852, by division of the Conference, he was thrown into S. E. Indiana Conference, and appointed to New Washington; 1853, Laurel Station; 1854-5, to Milton circuit. In 1856 he located, and was re-admitted in the Iowa Conference, and appointed to Bloomfield; 1857, Monroe; 1858, Chariton; 1859, Knoxville. In 1860, he superannuated, and removed to Oskaloosa, where he ended his days.

Bro. B. was a faithful and able preacher, who loved and maintained the rules of the Church. For twenty years he was an earnest and zealous laborer in the itinerant work. He was, to quote the language of a ministerial brother, "a tried friend, a prudent counsellor, an earnest Christian and a staunch Methodist." His disease caused extreme suffering, and in its most extreme paroxysms his faith remained unwavering, and his hope unchilled. "Tell them," he said on one occasion, "Tell them I die in hope of Heaven, like any other poor sinner saved by grace." He said, just before his death, "O, I wish I could preach! I have such views of the plan of salvation, such visions of Heaven, such peace and joy! How grace triumphs! No mortal can know my sufferings, but, oh, grace, GRACE supports me!" His death was calm and serene. Bidding each one of his family farewell, and breathing a prayer that they might meet him in Heaven, he departed this life January 18th, 1865, aged 58 years, 1 month and 28 days.

W. DENNETT.

II. Local Preachers.

REV. AUGUSTINE C. PARKS died in Mt. Pleasant, Iowa, Nov. 8th, 1864. He was born in Deerfield, Portage county, Ohio, June 11th, 1823, and born again in Hudson, Summit county, Ohio, during the winter of 1841-2, and at once joined the M. E. Church. When converted he was called to preach, but he shrank from the duty. However, he made an active and useful class-leader, and was soon licensed to exhort, and, after his removal to Mt. Pleasant, was licensed as a local preacher; since which time he has "made full proof of his ministry." His death was peculiarly triumphant. For some time he could only speak in a whisper; but while some friends were singing "I would not live away," he commenced repeating "Hallelujah! Hallelujah!" and his voice returning, he shouted aloud, "Glory, glory! Victory over death and the grave!" When the last moment came, and speech had failed, he signified to his friends that Christ sustained him. A smile of unearthly splendor lit up his pure, pale face. The "silver cord" was loosed, and his sanctified spirit departed to rest with God.

Should any of our local brethren die during the year, the Presiding Elders are requested to bring to Conference *short* obituary notices of them.—[SECRETARY.

NOTE—This report will not correspond with that furnished for the General Minutes, for these reasons: 1st, On examination I found an error of 100 in the summing up of Keokuk District by the statistical secretary; 2d, 100 members too many were reported from the University charge last year, and I have deducted them in my calculation from the aggregate of last year; 3d, In the absence of the statistics of Salem Circuit, I have inserted those of last year so as to approximate the true number of our membership. These, and some minor corrections, bring the gratifying result of an increase of 497, instead of a decrease of 81, as reported by the statistical secretary at Conference. Brethren, come up to the rule. Put in all your statistics when called for and put them all in right, and oblige those who have the difficult work of compiling these tables.—[SEC.]

PRACTICAL SUGGESTIONS.

For the benefit of those who may desire to become *model* members of Conference, the following suggestions, partly selected and partly original, are given :

1. Prepare all your returns with *black ink*. Write plainly, and make figures distinctly. Avoid blots and slovenly erasures.

2. Have all your returns ready before you start to Conference, and be sure and have them at the afternoon session of the first day, when they will be called for. One tardy preacher can hinder the secretaries and committees for half the Conference.

3. Take up all the collections ordered. Blanks in the statistics are ugly, and always imply a reflection on the preacher and his charge.

4. Make the sum total of each collection *even dollars*, and save printing columns of *cents*.

5. Report your collections carefully, and see that the reports you make to the statistical secretary agree with those you make to the committees and treasurers of Conference societies.

6. Fill out all your blanks completely and according to directions. They are designed to secure perfect and uniform reports, and by doing as requested you will facilitate the work of the secretaries, etc., greatly.

7. In your lists of "life members" and "contributors to the missionary cause," be sure and get the *full names, correctly spelled*. "J. Smith" may be *John* or *Jennie*. "Brother Jones" and "Sister Brown" do not very closely identify the individual. There is a difference between Irving, Irvin, Irvine and Ervin; and none of the Johnsons are Johnstous. Remember that people like to see *their own names* in print.

8. Distinguish between married and single ladies, by using the word "Mrs." or "Miss."

9.  Arrange your lists of names of life members and donors *alphabetically*: 1st, Because you are requested to do it by those who are responsible for compiling your reports, and it is as little as you can do to accommodate them. 2d, Because it improves the appearance of the report, and facilitates the finding of names. 3d, Because it is the *right way* to do it.

10. The work of the secretaries, treasurers of Conference societies, and other Conference officers, is complicated and laborious, and much more so when the reports are delayed or imperfect. You owe it to them to be *prompt* and *correct*.

Finally, Solomon says, "Whatsoever thy hands findeth to do, do it with thy might," and Paul exhorts to "Let all things be done decently and in order."—[SECRETARY.]

Total.....	\$6365 96

The tables show that Muscatine District contributed the largest amount of missionary money this year, (\$1506 05,) and also the largest average per member (56 cents). Oskaloosa Station made the largest contribution of the charges of the Conference (\$435 50), and has the largest proportional increase (\$313 00). Kossuth Circuit contributes the highest average per member (\$1 27), and Bentonsport the lowest of the contributing charges (about 3 cents). Two charges, Salem (with some 200 members) and Albia (with 176 members), make "No report." Why? An average of 50 cents per member in all our charges will bring in over \$8,000 next year. Let us try to raise it.
